

Co-option Statement – Phil Dew

I have been aware for some time of recurring vacancies on Kirkby Stephen Town Council and given the fact that I regularly attend meetings in my capacity as County and District Councillor for the Kirkby Stephen Division/Ward I would be happy to be co-opted onto the Town Council - if other councillors feel that is appropriate. I have knowledge and experience of a wide range of issues and feel that I could make a useful contribution to both the ongoing work and the general decision making process of the Council. For the record, I have read the eligibility criteria and believe that I fulfil them all – without qualification. Phil Dew [8 September, 2021]
