Statement on the Organisation of Appleby Fair

Kirkby Stephen Town Council has talked about issues relating to the Appleby Horse fair at several meetings this year at which there has been a higher than usual level of public participation. A special 'Parish Meeting' was held on the 26th July to discuss the issue and this meeting made a resolution - proposed from the floor - as follows: "This Parish Meeting believes that the events that comprise the Appleby Fair would benefit from an organising authority." The council believes that this is a fair representation of local opinion.

The council is optimistic that the appointment of consultants being considered by the Multi Agency Strategic Co-ordinating Group (MASCg)/Eden District Council this September may help to establish and point the way to achieve a better managed future for the fair with a positive impact on its policing if an organiser can be identified or developed and has written to Cumbria Constabulary and MASCg to indicate our community's support for this approach.

Paul Richardson.

Chairman, Kirkby Stephen Town Council.
