Your Parish Meeting or Council is part of The Upper Eden Community Plan Group. We have prepared this questionnaire to help us develop ideas for meeting the needs of our community. We will use the results of this questionnaire and other consultations to prepare an action plan or policies for the development of the area, and to present arguments to the District and County Councils to guide the preparation of their strategic plans.

The information contained in completed questionnaires will be confidential and anonymous. Please fold and staple the questionnaire when you return it to your Parish Representative. It will only be used for statistical purposes and no information will be passed on to third parties. Please take the time to complete this questionnaire. Your Parishes will be asked to endorse the results when they are prepared.

Every household in the area should receive a questionnaire. It should be completed by one person in each household. If you know someone who hasn't received one please let your Parish Representative know.

If you have any questions about this document or this process, please contact your Parish Representative, or Tom Woof the UECP Co-ordinator at the offices of DPS Ltd on 017683 71532.

Thank you for taking the time to complete this questionnaire. Your views matter.
